## Synopsis :

From the Back Cover Do you know what forces are influencing your life from day to day? Are you or your family experiencing repeated sickness or accidents? Do you feel under mental, emotional or financial pressure much of the time? Are your closest relationships in turmoil? Do you wonder why success comes easily to others but seems to elude you? Bible teacher Derek Prince shows how the forces behind blessings and curses might be at work in your life. Drawing from God's Word and real-life experiences, Prince will help you understand the causes of curses--occult activity, hidden sin, abuses, abandonment, even sin from a previous generation--and teach you how to be set free from curses, so you can start enjoying the benefits of God's blessings. More than 1.6 million readers have received life-transforming spiritual insight from this groundbreaking book. In this expanded edition, each chapter is followed by a study lesson--for yourself or for a small group--with review questions, a life application section and a memory verse. With Derek Prince's help, you can experience freedom from problems that have frustrated you for years and enjoy the destiny God has planned for you. --This text refers to an out of print or unavailable edition of this title.
