Synopsis :

About the Author Sarah is a Jesus-loving, Instagram-ing, wine-drinking semi-hoarder who loves anyone who can make her laugh. A day in her life looks like taking a crazy number of photos, dancing in the garage while packaging up orders, and cuddling with her pups. She is the sassy lady behind Chalkfullove, a hand-lettered goods shop started in 2013, and the founder of The Creative Counsel Conference. She went to school for graphic design and is a self-taught hand letterer and shop owner. Everything she creates is hand lettered by her in Austin, Texas. You can find more about her and her work at chalkfullove.com. Read more
